Dear Residents, Family & Team Mates,

Here is our Covid-19 update as of today.

Independent Living: Results from Covid-19 testing on 7/21/2020 are in. 104 Residents were tested, No positive cases were reported! No Residents or Teammates have any Covid-19 cases. Team mates will be tested again on Tuesday July 28th. No date is set for a re-test at this time for Independent Residents.

Extended Care Center: Testing performed on 7/21/2020. No new resident cases reported. The 3 remaining residents in our Covid-19 unit have been released and no longer infectious. We have 1 new asymptomatic Team Mate with a positive test result, who will recover at home. We will re-test all ECC residents and team mates on Tuesday, July 28, 2020.

Assisted Living: The results for testing performed on Monday 7/20/20 were all negative for residents and Team mates! We have no residents with Covid-19. We currently still have two teammates recovering at home.
